

McKITRICK

ABOUT US

McKITRICK is a law firm based in Mexico City, specialized in providing legal services of the highest quality in Corporate Law, Bankruptcy Law, Administrative Law and Strategic Litigation (Civil, Commercial, Corporate Criminal and Administrative).

We are committed to providing our clients with comprehensive, efficient and cutting-edge legal and business solutions, always aligned with our guiding principles: HONESTY and ZERO CORRUPTION.

In McKITRICK we have a network of lawyers with coverage practically in all the Mexican Republic.

We have extensive experience in the coordination of our correspondents in the interior of the Republic to be able to attend in real-time any matter related to the services we offer, resulting in a double benefit for our clients, on one side, the costs in travel expenses for representation and transfer are significantly reduced, and on the other, McKITRICK guarantees always, to be the only face to our clients.

A large background image on the left side of the slide shows the silhouettes of several business professionals in a modern office setting. They are standing in front of a large window that looks out onto a city skyline at sunset or sunrise. The scene is reflected on a polished floor. The image is partially obscured by a large green triangle that points towards the top right corner of the slide.

Service Areas

At McKITRICK we offer our clients services in:

- Corporate Law
- Bankruptcy Law
- Administrative Law
- Strategic Litigation

NATIONAL NETWORK OF LEGAL SERVICES

At McKITRICK we have a nationwide network of lawyers, which allows us to cover practically the entire Mexican Republic, making us a cutting-edge law firm.

Thus, in McKITRICK we have taken special care that our network of lawyers is governed under the best international practices against corruption, according with the legal, statutory and regulatory provisions, taking as a standard the United States Foreign Corrupt Practices Act (FCPA, for its acronym in English), and the United Kingdom Bribery Act (UKBA).

CORPORATE LAW

Our understanding of the businesses in which our clients participate allows us to identify and mitigate the risks of their operations, so that they can take more efficient and effective decisions.

We participate in commercial and corporate matters, such as incorporation and drafting of Bylaws, Board Meetings, Shareholders' Meetings, transformations, dissolutions, mergers and liquidations of business corporations.

We serve as members and secretaries of the Board of Directors of several of our clients.

ADMINISTRATIVE LAW

In McKITRICK we advise our clients in managements and negotiations with various government agencies and entities in the appliance for permits, licenses, authorizations and procedural registrations for the performance of their activities.

We also represent our clients against proceedings before public administration on federal and state jurisdictions, on filing administrative appeals, annulment trials and Constitutional Procedures, either through our Strategic Litigation service or through our National Network of Legal Services.

SUB – SPECIALTY TELECOMMUNICATIONS

At McKITRICK we provide advice and preparation of mechanisms for investments in telecommunication services.

We have represented different clients, both foreign and domestic, in mechanisms for investment in telecommunication services.

Our lawyers have participated in the negotiation, drafting and reviewing of legal opinions, concessions and agreements, regarding the presentation of services in this area.

Likewise, we advise different leading companies in the sector regarding investment and day-to-day operations, both from a legal and economic perspective.

BANKRUPTCY LAW

At McKITRICK we provide our clients with comprehensive management and control services for companies with insolvency problems, through a multidisciplinary approach that reaches a wide range of legal, accounting, financial, tax and IT functions.

We also have professionals registered before the IFECOM (*Federal Institute of Bankruptcy Specialists*) as specialists in insolvency proceedings.

STRATEGIC LITIGATION

We have a strong Strategic Litigation area focused on safeguarding the interests of our clients, generating value through contentious strategies aimed at preserving and maximizing their equity and business.
